

3rd National Geothermal Energy Summit

Wednesday, 13 November 2024

09:30 — 16:00

[Register
here](#)

Printworks, Dublin Castle

Time		Title	Speaker
09:30	10:00	Registration	
10:00	10:05	3rd Summit welcome and opening remarks SESSION 1 Enabling Geothermal through Government Action	Koen Verbruggen – Geological Survey Ireland
10:05	10:20	<i>Introduction to the GEMINI project: A €20 EU Investment in Geothermal on the Island</i>	Declan McCormac - CODEMA
10:20	10:40	<i>Momentum in European Geothermal</i>	Sanjeev Kumar – European Geothermal Energy Council (EGEC)
10:40	10:55	<i>Geothermal Policy Update</i>	Ian Devlin – Department of the Environment, Climate and Communications (DECC)
10:55	11:15	<i>Geothermal Programme Update</i>	Sarah Blake – Geological Survey Ireland (GSI)
11:15	11:35	Tea Break	
11:35	11:40	SESSION 2 Geothermal for Heat Networks	
11:40	11:55	<i>District Heating in Ireland: Policy, Legislation, & Funding</i>	Seán Kinsella – Renewable Heat Division (DECC)
11:55	12:15	<i>Multisource District Heating Supply Case Study (Geneva)</i>	Loïc Quiquerez – Services Industriels de Genève (SIG)
12:15	12:35	<i>Exploring the synergies between geothermal energy and district heating in Dublin</i>	Neil O’Leary – CODEMA
12:35	13:00	<i>Panel discussion – How could Ireland benefit from geothermal heat network supply?</i>	Representatives from Dublin Airport Authority (daa) & Local Authorities
13:00	13:40	Lunch	
13:40	13:45	SESSION 3 Making Geothermal Projects Happen	
13:45	14:05	<i>Multiscale Geothermal Heat Network Supply (Vienna)</i>	Gregor Goetzl – EVN Wärme GmbH (EVN)
14:05	14:25	<i>Irish Geothermal Archetypes: The Journey from Regional Scale to Project Economics</i>	Rory Dunphy – Geoserv
14:25	14:55	<i>Panel discussion – Increasing geothermal selection as a renewable heat option within Design & Build Process</i>	Representatives from University College Dublin (UCD), Powertherm, Sustainable Energy Authority Ireland (SEAI) & Geothermal Association of Ireland (GAI)
14:55	15:00	Closing Panel & Remarks	
15:00	15:30	<i>Panel discussion – Towards a 25 year plan for geothermal in Ireland</i>	Representatives from DECC, EGEC, GAI, GSI &, UCD
The GeoEnergyNI Roadshow will be present throughout the day.
