

CREATIVE COMMONS PLUS

The Creative Commons Plus protocol indicates that there are more permissions granted above and beyond (but still including) the CC licence that precedes it. It is not a new or different license or any license at all, but a facilitation of more Permissions beyond the original licence (CC-BY-NC-ND 4.0). See here for more information: <https://wiki.creativecommons.org/wiki/CCPlus>

NON-COMMERCIAL WAIVER

The Non Commercial (NC) requirement of the Geological Survey Ireland Groundwater Flooding CC-BY-NC-ND 4.0 licenced data is waived if any of the following conditions are met:

- You are using the materials for educational purposes or as part of academic research associated with a 3rd level institution.
- You are using the materials on behalf of, or as part of works commissioned by, an Irish Government Department, State Agency or Local Authority.
